## **Step-by-step Instructions:**

**STEP 1:** Put potting soil along the bottom of the tin pan.

**STEP 2:** Using the paint and q-tips (as a brush), decorate the small pot to look like a house, cottage, castle, or whatever you choose.

**STEP 3:** With paint or markers, decorate the wooden peg to look like a magical creature that will live in your garden.

**STEP 4:** Using the house, magical creatures, and all other supplies provided, decorate your garden. Use your imagination to create a beautiful garden home for your magical friends!

**STEP 5:** Dig a small hole to plant the flower seeds.

**STEP 6:** Place your garden in a window, so your plant can get sunlight and grow! Don't forget to water your seeds!

**STEP 7:** Imagine your own story using the garden you made... What are the names of the magical creatures living in your garden? What do they do each day to take care of their garden home?
