

# *Things to do at your library this September*

## **STORY WALKS**

**Visit each library branch to walk and read a story together!**

**Each branch has a different story to share.**

Emerson: Located in the Arboretum next to the library

South: Located on the library lawn

Williamstown: Located at Fenton Park

If you take a picture of your family reading at each story walk and send us the photos in a direct message on Facebook, you will be entered in a drawing to win a Kindle Fire!

## **CRAFT OF THE MONTH**

**For grades Pre-k and up**

**Available 9/14 through the end of the month**

Visit any of our library branches to pick up our craft of the month! This month, we will be making a scarecrow that you can use to decorate your home this fall. Children will also receive a free book of their choosing.

Available throughout the month while supplies last.

## **STORY TIME TO GO**

**For ages 2-5**

**2 story time packs will be available this month on the 14th and 30th**

Missing your weekly library story time? We miss you too! Until we can be together again, we've created a ready-made story time pack to do at home! Each pack includes one book, a list of songs and finger plays, activities, and a craft so you can have story time at home with your little one! If you don't feel comfortable coming into the library, we can bring the packs to you through our curbside service. When we bring you the story time pack, you might even get to sing some songs with your children's librarians! Available throughout the month while supplies last.
