## New Book Spotlight

“Ever since her mother’s disappearance, eleven-year-old Tilly Pages has found comfort in stories at Pages & Co., her grandparents’ bookshop. But when her favorite characters, Anne of Green Gables and Alice from Wonderland, start showing up at the shop, Tilly’s adventures become very real. Not only can she follow Anne and Alice into their books, she discovers she can bookwander into any story she chooses. Tilly’s surprising new ability leads her to fun and exciting adventures, but danger may be lurking on the very next page...”

– Anna James, author of “The Bookwanderers”
