Step-by-step Instructions:

STEP 1: Place your rubber bands around each side of the three corks to hold them together

STEP 2: Decide what sort of sail you'd like for your ship. You can keep it plain or add pirate-y details

STEP 3: Pierce your sail with the toothpick

STEP 4: Poke your toothpick onto your cork boat base and you are done and ready to sail!

Step 5: Imagine you're a pirate setting sail on their very own adventure. Where are you traveling to? Are you searching for buried treasure?
