

PreK-2ND Grade Rainbow Weaving

On Wednesday at 10am, we will be posting a video explaining how to do the craft. You can find the videos on our website under the kid's tab or on our Facebook Page.

parkwoodlib.com

Supplies provided by the library:

Half a paper plate

6 pipe cleaners

5 cotton balls

Glue dots

Crayons

Step-by-step Instructions:

STEP 1: Color the paper plate with whatever color you like (maybe blue for the color of the sky?).

STEP 2: Beginning with the red pipe cleaner, weave each pipe cleaner in and out of the slits alternating the starting position of each color. Remember the order of the rainbow?

ROY G BIV!

STEP 3: Use glue dots to place cotton balls on one side of the plate to represent a cloud.

TA DAAA! You've woven a rainbow!
