## New Book Spotlight

“Princess Bea loves animals, and wants a pet of her own more than anything. But her father, the king, says that the Ruby Palace is no place for pets. Still, if Princess Bea finds animals in trouble, she's not going to let a little thing like royal rules stop her from helping.

When Bea rescues a stray kitten from a tree, she promises to keep it safe until she can find its owner. But the adventurous kitten keeps getting into trouble! And when it goes exploring in the middle of the night, Bea will need to be very brave...”

## **Summer Reading Program!**

The library will be hosting an in-person summer reading program this year! The program will run from June 14<sup>th</sup>-July 23<sup>rd</sup>. A couple of presenters will host outdoor events and weekly classes will also be available at each branch. Class sizes for these programs will be small, so children will be required to sign up for every program they participate in. This will help us maintain social distancing and keep everyone safe, while also having fun programs together as a group!

Our summer calendar will be available on May 3<sup>rd</sup> and registration for the program will begin on June 7<sup>th</sup>.

We are SO excited to be able to host our annual summer reading program in-person and can't wait to have fun and learn with children of our community this summer!
