Volunteer Reader Program

Wood County Schools and Read Aloud WV are looking for volunteer readers for classrooms! When caring individuals present books in a fun way, children grow to associate reading with pleasure. By becoming a Read Aloud volunteer, you will serve as a live "commercial" for reading, showing our students that reading is an enjoyable lifetime activity. Criss Elementary, Emerson Elementary, Franklin Elementary, Jefferson Elementary, Lubeck Elementary, Neale Elementary, and Vienna Elementary are looking for readers!

The Read Aloud program asks all volunteers to attend a one-time orientation. The purpose of the orientation is to provide the best possible read aloud experience for all involved. A small time commitment on your part can make a big difference in the lives or our children. If you are interested in participating in the Read Aloud program, please contact Ashlee Beatty at Wood County Schools (ashlee.beatty@k12.wv.us or 304.420.9670 x112).

In-Person or Virtual orientation sessions are scheduled!
